### **Tu 18.6.                      Woman in Black                      20:00**

Susan Hill's acclaimed ghost story comes dramatically alive in Stephen Mallatratt's ingenious stage adaptation. A lawyer obsessed with a curse that he believes has been cast over him and his family by the spectre of a Woman in Black, engages a sceptical young actor to help him tell his terrifying story and exorcise the fear that grips his soul. It all begins innocently enough, but then, as they reach further into his darkest memories, they find themselves caught up in a world of eerie marshes and moaning winds.
